Configured the data sources

Deployed edu.harvard.i2b2.crc

Started WildFly services

Verified installation

CRC Web Services are running

Able to log into the i2b2 Web Client and Workbench

Next Steps

Provided there are no issues with the installation of the CRC cell, your ***next step*** is to proceed with installing the remaining cells. The remaining cells do not need to be installed in any particular order. The next chapter will guide you through the installation of the Workplace Framework (WORK) Cell.
